

***JOIN US!***

**Business owners achieve the following with the completion of the Ready Your LA Business program:**

- **Learn about potential hazards that are major risks in their area**
- **Be able to address the steps to create a safer work environment and educate their employees on procedures**
- **Obtain the resources to rebuild their business, connect with their employees, suppliers, vendors, insurance contacts, etc.**
- **Track the damage to their business, file insurance claims, and recover their assets**
